Credit or Non-credit course?:

About this course:

General description about the course

University:

University name from where the course catalogue is provided

Course level:

Course level for the student

Catalogue track:

Course track aligned with the dimensions

Learning outcomes:

Learning outcomes, preferable in bullet points

Prerequisites:

Prerequisites for participation

Language skill:

Required language skill to take the course e.g. English B1, Spanish B2 etc.

Interval of the module:

Interval at which Module/Course is offered e. g. 8 weeks, Annually, Spring and Autumn Semesters

Semester(s) in which the module takes place:

Semester(s) in which the module takes place e.g. Autumn 2023 – Spring 2024, Spring semester

If module comprises several courses, can they be taken separately:

If module comprises several courses, can they be taken separately?

Course type:

Type of the course e.g. Lecture + Seminar, Local, Workshop etc.

Involvement period:

Specific involvement period. e. g. 17 December 2024, 9:00 a.m. – 4:00 p.m

Organisational type:

How the course is organized e. g. Daily, 8 weeks block

Teaching mode:

Mode of teaching e.g. local, online hybrid

Local attendance:

Local attendance status e. g. Required, not required, 2 days a week etc

Average workload:

Average workload of the course e. g. 8 hours per week, 40 hours per week

Workload in ECTS:
ECTS units e. g. 1, 2, 5, 3.4 etc.

Graded:
Whether the course is graded

Availability of results:
Availability of results e.g. April 2025, After spring semester etc.

Person in charge of module:
Name of the person who is in-charge of the course.

Email address (Person in charge):
Email address of the person in-charge.

Local module ID:
Local module ID or local course id.

Link to the course :
Url to the course or course registration page.

Course start date:
yyyy-mm-dd format

Course end date:
yyyy-mm-dd format

Application start date:
yyyy-mm-dd format

Application end date:
yyyy-mm-dd format
